

ATTENTION: ALL PARENTS OF POLO PLAYERS  
THE GREAT LAKES WATER POLO CLUB NEEDS

YOU!

WITHOUT A NEW GROUP OF PARENTS BECOMING MUCH MORE INVOLVED WITH THE CLUB'S MANAGEMENT, THE CLUB WILL GO THE WAY OF THESE GUYS!

**Fact:** Some members of the current Board no longer have children participating in the club, yet they continue to manage the club out of the goodness of their hearts, but cannot do so forever!

**Fact:** Other Board members and regular volunteers have children who will be graduating next year, and they aren't planning to be as generous with their time as the above wonderful people have been!

**Fact:** Parents of younger players **MUST** become active volunteers in the club **IMMEDIATELY**, or there will be **NO ONE** left to manage the club!

TO FIND OUT MORE ON HOW TO GET INVOLVED AND KEEP THE CLUB ALIVE: Come to the next Board meeting on  
FEBRUARY 6<sup>TH</sup> at 7:00, at Canham

If you can't come that night, look on the website for more information, or call any Board Member to volunteer (contact info on website also)
